Re:

Reconstruction of County Line Road, TR 93 Russell Township & Village of Hunting Valley

Project Change Order No. 4

Pay Application No. 8 / OPWC Disbursement No. 4

Dear Trustees:

Enclosed please find the documents related to Project Change Order No. 4 – Restocking & Site Stabilization & Pay application No. 8. The additional work items have been reviewed and approved by the Village of Hunting Valley. This office recommends the Board of Trustees approve the attached Change Order and payment No. 8.

We ask the Township approve the change order (Change Order No. 4) for the project. This change order covers project bid line item overages incidental to the project in addition to extra work claims. This Change Order revises the Contract amount to \$3,785,677.91. Please approve and execute all four original copies of the supplemental agreement that amends the Contract Time for the project. Upon approval; one copy is for the Township, one shall be sent to the Village and the Contractor, and the last returned back to this office.

Upon acceptance of Change Order No. 4, this office recommends payment of the attached invoice in the amount of \$83,935.88 to TRAX Construction Co. We recommend that the Township submit \$29,826.73 (Russell Township responsibility) to OPWC for payment and pay the remaining \$54,109.15 with local funds per the MOU for the project. Please authorize Mr. Gary Gabram, Trustee and Ms. Karen Walder, Fiscal Officer to sign the Appendix E document.

Please return the signed Appendix E along with copies of the local warrants/checks for local match verification to this office and we will process the paperwork through the Ohio Public Works Commission.

A detailed breakdown of actual project construction costs, as outlined in the Construction Cost MOU has been included.

It is our understanding that certified payroll reports for this project are being directly sent to the Township by the Contractor.

Should you have any questions regarding this matter, please let me know.

Sincerely,

Joe Cattell, PE, PS Geauga County Engineer

ph

Nicholas J. Gorris, PE Deputy Engineer
