

Russell Police Department

14820 Chillicothe Road Novelty, Ohio 44072
9-1-1- Emergency / 440-338-1212 –Emergency
440-338-6212-Non-emergency
440-338-6113-Fax
Email: rpd@russellpolice.com

To: Russell Township Trustees
Justin Madden
James Mueller
Gary Gabram
Russell Township Fiscal Officer
Karen Walder
From: Chief Carroll
Date: 11-16-2018

The Department's In-Car video system was installed in 2007, this was a Geauga County purchase, county wide, from the 911 tax monies that did not require funding for the current cameras and hard-drives from the Russell Police Department.

The system is a Panasonic Arbitrator brand, and has proved for the past 11 years to be robust equipment. The current equipment is obsolete and parts are no longer available should there be a breakdown, also there is no longer any technical support for the system due to age.

The In-Car Camera System is used on a daily basis by Officers during their interaction with the public, and rear seat recording for transports and in-custody persons. This has become standard equipment in law enforcement.

Video and audio are recorded during police interaction and automatically recorded when the police vehicle triggers certain actions, Ex: Over- head lights in the on position, high vehicle speed, quick braking.

When a cruiser pulls into the station the video and audio data are automatically downloaded / transferred onto our server at the Police Department through an Access Point located in the Police Department Garage.

The system is in the 5 marked Police vehicles, and would replace the obsolete equipment.

This is part of the Department's 5 year planning.

The Department attempted to obtain additional quotes from various vendors / authorized Panasonic re-sellers with negative results.

To successfully complete this project, the Department would require the purchase and or labor of a total of 3 vendors:

Vendors:

**Insight Public Sector
Authorized Panasonic Re-seller
IT Services / Equipment
6820 S Harl Ave.
Tempe, AZ 85283
Tele: 800-467-4448**

**Bailey Communications
IT Services
Equipment
33360 Liberty Parkway
North Ridgeville, OH 44039
877-807-0300**

**Hall Public Safety
Equipment removal and installation on cruisers
8291 Darrow Rd.
Twinsburg, OH 44087
855-387-3911**

<u>Vendor</u>	<u>Cost</u>
<u>Insight Public Sector</u>	
5 - Panasonic Arbitrator Video Systems 5-year Warranty on hardware and software	\$28,730.21

U.S. Communities IT Products, Services and Solutions Contract No. 4400006644

Insight Public Sector (IPS) is proud to be a contract holder for the U.S. Communities Technology Products, Services, Solutions & Related Products and Services Contract.

This competitively solicited contract is available to participating agencies of the U.S. Communities Government Purchasing Alliance. U.S. Communities assists local and state government agencies, school districts (K-12), higher education, and nonprofits in reducing the cost of purchased goods by pooling the purchasing power of public agencies nationwide. This is an optional use program with no minimum volume requirements and no cost to agencies to participate.

Regarding tariff impacts on IPS contract quotes, Insight is communicating with the contracting officials on the contracts held by Insight to minimize the impact of tariffs to our clients.

Thanks for choosing Insight!

Insight Global Finance has a wide variety of flexible financing options and technology refresh solutions. Contact your Insight representative for an innovative approach to maximizing your technology and developing a strategy to manage your financial options.

The U.S. government has imposed tariffs on technology-related goods. Many of Insight's OEM and distribution partners have notified Insight that these tariffs will result in frequent and significant price increases. Some of our major partners have already provided Insight with cost increases, in some instances multiple times per day, while other providers are still assessing their situations. Due to the situation it is possible this quote may be subject to cost changes for Insight which will necessitate changes to the quoted pricing, or withdrawal of the quote.

This purchase is subject to Insight's online Terms of Sale unless you have a separate purchase agreement signed by both your company and Insight, in which case, that separate agreement will govern. Insight's online Terms of Sale can be found at: http://www.insight.com/en_US/help/terms-of-sale-products-ips.html

PANASONIC'S SUPPORT COMMITMENT

- Panasonic will repair the products as shown in the above chart with new or rebuilt parts, free of charge in the U.S.A. or other Panasonic approved location for the period specified from the date of original purchase in the event of a defect in materials or workmanship. These warranties are extended solely to the original purchaser. A purchase receipt or other proof of date of original purchase will be required before warranty performance is rendered.
- Because Toughbook mobile computers are known for lasting longer than the standard three-year warranty, Panasonic ensures Parts Availability for All Models for up to Seven (7) Years after Discontinuation.
- For Arbitrator 360°™ HD technical support, Panasonic operates a US-based 24 hour per day, 365 days per year toll-free technical support hotline.
- The "Priority Exchange Program" covers in-warranty units. If the unit can be repaired by shipment of a replacement component, the necessary component will be shipped for overnight delivery within the Continental USA. The defective component must be returned using the provided box and airway bill. Panasonic pays shipping costs for both shipments, as long as the provided airway bill and shipment number are used.
- For in-warranty service, the unit is shipped to the Panasonic National Service Center (NSC) for repair and returned normally within 2 days of receipt. Panasonic pays shipping costs for both shipments, as long as the provided airway bill and shipment number are used.
- For out of warranty units, the customer must ship the unit pre-paid to the NSC. The unit is tested and an estimate will be provided, normally within two days. Upon acceptance of the estimate, the unit is repaired and returned. The customer is responsible for all costs, including labor, parts, and shipping.
